Subject: DCI Meeting with VPOTUS 8 or 9 Jan re CT budget

From the Desk of [redacted] (b)(3) (b)(6)
(b)(3) **SC/DCI** [redacted]

Good Morning [redacted] The DCI called today and said that he wants to meet with the VPOTUS Wed/Thurs of next week to discuss the CT budget shortfalls. In preparation for that, he has asked that a briefing be prepared for him to use with the VPOTUS. The DCI was very clear in that he wants the briefing to 'be in English'. In previous conversations on the same subject, the DCI has said that he needs to understand what the shortfalls mean in terms of programmatics. What programs will be affected? what the impact will be? what do we have to stop doing? That should be part of this presentation. As you know by now, the DCI likes to speak from very consice, bullet-format types of talking points. Defer to you on the overall structure, but those are some guidelines we can be certain he will want to see in the final product. He specifically wanted this to be coordinated with [redacted] who are cc'd below. (b)(3) (b)(6)
[redacted] will set up a pre-brief on this, probably on Monday. which should give you time to adjust the briefing
